

Solar Eclipse Activities for Libraries

Back Again, Two Eclipses Coming to North America in 2023/2024

STAR Net's SEAL initiative is here to support your local and state libraries as they prepare for the upcoming eclipses. But we need your help! Use the QR code or link below to:

- Learn more about the program;
- Find out how to support a library as a subject matter expert; or
- Help libraries sign up for free eclipse glasses and resources.
