Solar Eclipse Activities  
for Libraries

## Back Again, Two Eclipses Coming to North America in 2023/2024

*STAR Net's SEAL* initiative is here to support your local and state libraries as they prepare for the upcoming eclipses. But we need your help! Use the QR code or link below to:

- Learn more about the program;
- Find out how to support a library as a subject matter expert; or
- Help libraries sign up for free eclipse glasses and resources.
